

Sports Waiver Form

Ridge Park Charter Academy

Dear Parent/Guardian:

During the school year, your daughter or son may become involved in athletics at a National Heritage Academies (NHA) school. NHA will NOT be liable for any injury sustained by a student because of a medical condition (diagnosed or undiagnosed) which the student had prior to engaging in the sports activity. It is your responsibility to see that your daughter or son is physically able to participate in athletics. You must obtain a thorough physical from your family physician. Further, NHA will NOT be liable for any injury sustained by a student during the normal course of the sports activity.

Cross Country team may practice at St. Nicholas Antiochian Orthodox Church. St. Nicholas Antiochian Orthodox Church will NOT be liable for any injury sustained by a student during the normal course of the sports activity or any other injury sustained on the property.

Soccer, basketball, volleyball, bowling, and cross country are all potentially dangerous sports. There is a possibility of physical contact, and there is a chance of injury. Even though this chance exists, I give my child permission to participate in the above sport/season.

National Heritage Academies does not provide any form of transportation to and from sporting events. The most ideal situation would be to have transportation provided by the student's parent or legal guardian. If I am unable to provide transportation, I give permission for my child to be transported to and from sporting events by someone other than myself. In case of an accident, I will not hold the driver of the vehicle or anyone associated with National Heritage Academies liable.

I have read this National Heritage Academies Parent and Student Athletic Handbook and am willing to abide by the conditions therein for the current school year. I realize that being a participant of the athletic program is a privilege and I will distance myself from any activities that would in any way bring discredit to the academy or myself. **Students who do not meet academic or behavioral expectations will not be able to participate in athletic events.**

Students must pay all participation fees before participation in any athletic contests.

Please sign this waiver to enable your daughter/son to be eligible for participation in athletics.
